Announcing the Very Important

August Sale of Furs

FOR WOMEN AND MISSES

At prices so low immediate selection will mean a saving of fully 30% from Fall prices.

We unreservedly advise the immediate selection of your fur coat for next season. Just as prices swung too high during the past two seasons—so the pendulum has swung too far in the other direction NOW. In America we seem to go to extremes, and today furs are offered at far below that which any circumstance could warrant.

Handsome Fur Coats are presented in the August Sale at fully 40% below prices which have prevailed during recent seasons.

The pelts are specially selected, of high lustre, and the models exclusive with Saks & Company.

Pay only one-third now, if you so desire, the balance to become due when your furs are taken from our vaults in the Autumn.
